Overall Length:

7.125 inches 7.125 inches

Blade Length:

0.688 inches 0.688 inches

Blade Shape:

Straightstraight

Blade Type:

Serratedserrated

Design Designation:

Lewis nasalLewis nasal

Material And Location:

Steel, carbon blade or steel, corrosion resisting blade and steel, carbon shank or steel, corrosion resisting shank and brass handle or steel, corrosion resisting handle

Cut Type:

Finefine

Blade Cr Designatorss-sectional Shape:

Rectangularrectangular

Blade Point Type:

Round blunround blunt

Blade Cutting Surface Location:

Insideinside

Product Name:

Lewis bone rasp

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T133-a
