Design Designation:

Haverfield-scoville

Features Provided:

Self-retaining and hinge arm

Product Name:

Retractor laminectomy self-retaining w/ratchet & hinged arms

Surface Treatment And Location:

Passivate

Exterior Container Weight:

36.00 pounds

Exterior Container Cubic Measure:

1.245 cubic feet

Exterior Container Quantity:

36

Special Features:

WITH-RA-TCH-ETAC

Material And Location:

Stainless steel

Intermediate Package Quantity:

12

Unit Of Issue Cube:

0.400 cubic feet

Unit Of Issue Weight:

1.58 pounds

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A523b0
