Overall Length:

2.250 inches

Overall Width:

1.000 inches

Blade Width:

55555.000 inches

Blade Type:

Serrated

Prong Quantity:

1

Features Provided:

Reusable

Product Name:

Blade laminectomy retractor epstein 2.25x1" sgl prong serrated

Surface Treatment And Location:

Passivate

Exterior Container Quantity:

72

Special Features:

Interchangeable; epstein design; for use w/laminectomy retractor

Material And Location:

Stainless steel

Intermediate Package Quantity:

12

Unit Of Issue Cube:

0.024 cubic feet

Unit Of Issue Weight:

0.19 pounds

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A512d0
