Overall Length:

2.000 inches

Overall Width:

1.000 inches

Blade Type:

Blunt

Prong Quantity:

1

Features Provided:

Reusable

Product Name:

Blade laminectomy retractor scoville 2"lg sgl hook type crs

Surface Treatment And Location:

Passivate

Special Features:

Scoville design; interchangeable; single hook type; fpo use with hemilaminectomy retractor; nsn 6515-00-385-3685.

Material And Location:

Stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A512d0
