Overall Length:

7.500 inches

Blade Shape:

Angle to handle

Design Designation:

Potts smith

Cut Length:

23.000 millimeters

Blade Point Type:

Both blunt

Product Name:

60 degrees potts scissors

Special Features:

Blade angled 60 deg

Material And Location:

Stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A513m0
