Overall Length:

7.000 inches

Handle Type:

Hex

Blade Length:

0.281 inches

Usage Design:

Middle ear surgery

Blade Type:

Sharp and single

Design Designation:

House

Size Designator:

Commercial size no. 1

Grip Type:

Smooth

Shank Type:

Straight

Product Name:

Knife ear house curved 0.281"blade lg hex handle 7"o/a lg sz 1

Surface Treatment And Location:

Passivate

Special Features:

Commercial size no. 1, 1, unit qty

Material And Location:

Stainless steel

Shape:

Curved

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A523j0
