**Overall Length:**

8.750 inches

**Blade Width:**

1.125 inches

**Blade Shape:**

Chisel

**Action Type:**

Pivoted lever

**Blade Type:**

Serrated

**Design Designation:**

Stryker

**Material And Location:**

Steel, corrosion resisting

**Grip Type:**

One hand

**Product Name:**

Cast spreader 8.75" lg 1.125" blade serrated crs

**Special Features:**

W/four serrated blades and spring closure for one hand operation

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T133-a
