Venous Pressure Line Isolator - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6515-01-005-2104

General Description:

Udisposable,	sterile,	nonpyrogenic flui	d path,	individual	package,	flexible	plastic bl	lassed	within	a clear	rigid o	chamber,	adapts	to II k	idney
dialysis syste	ms, use	ed to prevent bloo	d from	contamina	ating posit	ive pres	sure mete	ering de	evices						

Udisposable, sterile, nonpyrogenic fluid path, individual package, flexible plastic blassed within a clear rigid chamber, adapts to II k	idney
dialysis systems, used to prevent blood from contaminating positive pressure metering devices	
Shelf Life:	
N/a	
Unit Of Measure:	
.	
Demilitarization:	
No
