**Design Designation:**

Murphy

**Inflation Device:**

Valve

**Tip Type:**

Open end

**Core Fabrication Method:**

Not woven

**Diameter:**

8.000 millimeters

**Material And Location:**

Plastic

**Features Provided:**

Sterile and disposable

**Special Features:**

Silicone coated

**Style Designator:**

Tracheal w/ cuff

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A22100
