Tip Type:

Luer lock

Tip Material:

Plastic

Scale Type:

Any acceptable

Plunger Material:

Plastic

Barrel Material:

Plastic

Capacity:

130.000 milliliters

Barrel Tip Design:

Concentric

Product Name:

Syringe hypo 130cc cap luer lock tip angiographic type plas 50s

Special Features:

Sterile; disposable; individual package; angiographic type

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T133-b
