Overall Diameter:

85.0 millimeters

Product Name:

Diaphragm vaginal 85mm diameter controlled arcing

Exterior Container Weight:

26.00 pounds

Exterior Container Cubic Measure:

2.736 cubic feet

Exterior Container Quantity:

144

Special Features:

Controlled arcing; flat 3-ply laminated sheet steel spring rim or periphery within coiled spring; resists saddling and capable of returning to normal shape; for insertion and corrected placement w/o inserter

Intermediate Package Quantity:

12

Unit Of Issue Cube:

0.001 cubic feet

Unit Of Issue Weight:

0.18 pounds

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T133-c
