Design Designation:

Murphy

Inflation Device:

Pilot balloon

Tip Type:

Open end

Core Fabrication Method:

Not woven

Diameter:

8.500 millimeters

Material And Location:

Plastic

Features Provided:

Sterile and disposable

Special Features:

Silicone coated

Style Designator:

Tracheal w/ cuff

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A22100
