Overall Length:

12.000 inches

Usage Design:

Cardiovascular surgery

Design Designation:

Potts smith

Jaw Type:

Serrated

Product Name:

Forceps dressing potts smith straight 12" f/cardiovascular surg

Surface Treatment And Location:

Passivate

Material And Location:

Stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A51710
