Overall Length:

5.200 inches

Handle Type:

Lock

Material And Location:

Steel, corrosion resisting

Surface Treatment And Location:

Passivated

Jaw Type:

Curved

Product Name:

Holder suture needle curved flattened jaw 5.2" lg passivated crs

Special Features:

Flattened jaws

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T133-d
