Retractor holder set automatic single and double arm

**Exterior Container Weight:** 

25.00 pounds

**Extra Long Reference Number:** 

Hydra-22, arh-17, g-2, g-3, g-8, g-13, g-24, g-25, g-28, g-32

**Unit Of Issue Cube:** 

1.169 cubic feet

**General Description:** 

C/OT-WO-AUT-OMAT

**Reference Number Differentiating Characteristics:** 

All part number must be included on this nsn

Shelf Life:

N/a

**Unit Of Measure:** 

\_\_

**Demilitarization:** 

No
