Sterility:

Sterile

Component And Quantity:

Linden fitting 2; nonpermeable silicon rubber membrane 1

Connector Type:

Linden

Disposition After Initial Use:

Disposable

Special Features:

Nonpyrogenic; for use w/bell and howell transducer no. 4-327

Material:

Plastic and silicone rubber

Material:

Plastic and rubber silicone class q

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T117-a
