Physiological Pressure Transducer Protector - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6515-01-108-1895

Sterility:
Sterile
Component And Quantity:
Linden fitting 2; nonpermeable silicon rubber membrane 1
Connector Type:
Linden
Disposition After Initial Use:
Disposable
Special Features:
Nonpyrogenic; for use w/bell and howell transducer no. 4-327
Material:
Plastic and silicone rubber
Material:
Plastic and rubber silicone class q
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:

T117-a
