Design Designation:

Blood collecting

Tip Type:

Luer lock

Tip Material:

Plastic

Scale Type:

Single

Plunger Material:

Plastic

Barrel Material:

Plastic

Scale Smallest Increment:

0.500 cubic centimeters

Capacity:

5.000 cubic centimeters

Barrel Tip Design:

Concentric

Plunger Thumb Rest Type:

Button

Special Features:

Sterile; individual package; disposable; automatic plunger return; prefilled with heparin

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T133-b
