Design Designation:

Bishop design

Material And Location:

Steel, corrosion resisting

Cutting Edge Width:

5.000 millimeters

Product Name:

Gouge bone bishop 5mm blade

Exterior Container Weight:

62.00 pounds

Exterior Container Cubic Measure:

0.0010 cubic feet

Exterior Container Quantity:

1

Special Features:

For use in ear, nose and throat procedures

Unit Of Issue Cube:

0.001 cubic feet

Unit Of Issue Weight:

0.06 pounds

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T133-a
