Blade Width:

3.0 millimeters

Material And Location:

Steel, corrosion resisting

Surface Treatment And Location:

Passivated

Product Name:

Elevator ear crs 16.5cm long 3mm wide paparella duckbill style

Special Features:

16.5 cm l; 3 mm w; paparella duckbill style

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T133-a
