Overall Length:

4.125 inches

Usage Design:

For microsurgery

Unit Type:

Tweezer

Jaw Type:

Straight

Product Name:

Forceps eye suture str flex 4.125" lg fine points passivated crs

Surface Treatment And Location:

Passivate

Special Features:

Fine points; flexible

Material And Location:

Stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A51710
