Overall Length:

3.333 inches

Usage Design:

Microsurgery

Design Designation:

Harms

Unit Type:

Tweezer

Jaw Type:

Straight

Product Name:

Forceps eye suture harms straight 3.333in length crs passivate

Surface Treatment And Location:

Passivate

Special Features:

No teeth, w/platform

Material And Location:

Stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A51710
