Diameter:

2.250 inches

Material And Location:

Metal fastening device

Surface Treatment And Location:

Silver plated fastening device

Product Name:

Electrode ekg 2.25" diameter disp pregelled plia-cell tape 30s

Special Features:

Disposable; pregelled; pressure sensitive; plia-cell tape with aggressive adhesive for diaphoretic patient; electrode in center

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T133-c
