Overall Length:

4.125 inches

Design Designation:

Mcfarland

Material And Location:

Steel, corrosion resisting

Surface Treatment And Location:

Passivated

Joint Type:

Lock

Product Name:

Holder suture needle mcfarland 4.125" lg straight jaw short crs

Special Features:

Straight jaw; short

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T133-d
