Overall Length:

8.000 inches

Blade Width:

1.250 inches

Blade Type:

Single edge

Design Designation:

Taylor

Product Name:

Retractor spinal taylor 8"lg 3x1.25" blade sgl edge s-shaped crs

Blade Shape:

Round cone

Exterior Container Quantity:

1

Special Features:

3 in. Blade depth; 1-1/4 in. Blade width; used for deep muscle in interlaminary exploration for removal of a protruded intervertebral disk; s-shaped

Material And Location:

Stainless steel

Unit Of Issue Cube:

0.143 cubic feet

Unit Of Issue Weight:

0.63 pounds

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A523b0
