Overall Length:

3.000 inches

Design Designation:

Trinkle

Material And Location:

Cobalt-chromium alloy and tungsten alloy and nickel copper alloy

Shank Type:

Straight

Point Type:

Fluted

Product Name:

Drill twist bone 1/8" (3.2mm) diameter 3" (7.62cm) trinkle

Diameter:

0.125 inches

Special Features:

For use in preparing bone screw holes

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T133-e
