Overall Length:

5.500 inches

Handle Type:

Fishtail

Blade Length:

2.375 inches

Blade Width:

0.750 inches

Blade Quantity:

1

Blade Type:

Blunt

Design Designation:

Smillie

Product Name:

Retractor ortho smillie large angled blade fishtail handle crs

Blade Shape:

Large angle

Special Features:

Large angled blade; fishtail handle; used in soft-tissue exploration; orthopedic procedures

Material And Location:

Stainless steel

Intermediate Package Quantity:

1

Unit Of Issue Cube:

1.00 cubic feet

Unit Of Issue Weight:

1.00 pounds

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A523b0
