Overall Length:

9.250 inches

Design Designation:

Downing

Features Provided:

Guarded cutting blade

Product Name:

Knife cartilage downing desing 9.250 in. Long curved distal shaft crs

Surface Treatment And Location:

Passivate

Special Features:

Passivated surface treatment; curved distal shaft; 1/4 in. With guarded cutting blade

Material And Location:

Stainless steel

Shape:

Curved distal shaft

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A523j0
