Overall Length:

6.000 inches

Design Designation:

Ochsner

Material And Location:

Corrosion resistant metal alloy

Surface Treatment And Location:

Passivated

Perforation Feature:

Included

Side Arm:

Included

Cannula Outside Diameter:

16.000 french

Point Shield:

Provided

Product Name:

Trocar ochsner dsgn 20fr 16fr cath gallbladder type w/side port

Special Features:

Gallbladder type; trocar size 20 fr; hardened; w/side port

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T133-g
