Overall Length:

12.000 inches

Usage Design:

Used for thoracic and vascular surgery

Design Designation:

Debakey

Tip Type:

Tapered

Jaw Type:

Straight

Jaw Grasping Facility Location:

Along jaw

Serrated Pattern Design:

Longitudinally

Product Name:

Forceps vascular tissue debakey dsgn 12" lg tapered tip crs str

Surface Treatment And Location:

Passivate

Special Features:

Satin finish

Material And Location:

Stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A51710
