Blade Width:

1.000 inches

Blade Quantity:

1

Design Designation:

Lemmon

Size Designator:

X-long blade

Design Form:

Single-ended

Product Name:

Retractor adbominal lemmon extra deep deaver 1 x 9-1/2"

Surface Treatment And Location:

Passivate

Blade Shape:

Flat

Exterior Container Weight:

61.88 pounds

Exterior Container Cubic Measure:

23.43 cubic feet

Special Features:

X-long blade; slightly malleable; blade approx 1 in. W; distal blade section when extended provides a working depth of approx 9-1/2 in.; flat w/extreme distal edge rounded; 360 degrees fluted handle; hardened and passivated

Material And Location:

Stainless steel

Unit Of Issue Cube:

0.001 cubic feet

Unit Of Issue Weight:

0.01 pounds

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A523b0
