Overall Length:

7.000 inches

Usage Design:

For cardiovascular procedures

Design Designation:

Potts smith

Jaw Type:

Serrated

Jaw Grasping Method:

Distal flanged

Product Name:

Forceps tissue potts smith 7" lg fine serr jaws distal tip crs

Surface Treatment And Location:

Passivate

Material And Location:

Stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A51710
