Tissue Forceps - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6515-01-139-8201

Overall Length:
7.000 inches
Usage Design:
For cardiovascular procedures
Design Designation:
Potts smith
Jaw Type:
Serrated
Jaw Grasping Method:
Distal flanged
Product Name:
Forceps tissue potts smith 7" lg fine serr jaws distal tip crs
Surface Treatment And Location:
Passivate
Material And Location:
Stainless steel
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A517I0
A31710
