Overall Length:

7.000 inches

Design Designation:

Davis

Material And Location:

Nickel silver alloy

Surface Treatment And Location:

Finish, mirror

Product Name:

Spatula brain davis design 7x1.50" malleable nickel silver alloy

Special Features:

Capable of being readily hand-formed repeatedly w/o breakage; 1-1/2 in. Wide

Flexibility:

Rigid

Supplementary Features:

Malleable

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T133-a
