Overall Length:

6.000 inches

Design Designation:

Adson

Material And Location:

Steel, corrosion resisting

Jaw Length:

0.750 inches

Product Name:

Drill guide cranial adson design 6" lg 0.25" w jaw opening crs

Special Features:

Jaw opening 1/4 in. W; passivated; used in protecting the dura in craniotomy surgical procedures

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T133-d
