Overall Length:

7.000 inches

Usage Design:

Endaural; for use in ear surgical proecedures

Design Designation:

House

Size Designator:

Size 3-0

Design Form:

Single-ended

Product Name:

Curette ear house sz 3-0 short lg 7" endaural cupped sgl-ended

Blade Shape:

Cupped

Special Features:

Short length (18 cm)

Material And Location:

Stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A520p0
