Usage Design:

For implanting strut under microsurgical conditions

Design Designation:

House

Jaw Type:

Delicate

Jaw Length:

6.0 millimeters

Product Name:

Forceps ear house strut extremely delicate w/o serr 6mm jaw crs

Special Features:

Strut type; without serrations; box lock mechanism handle

Material And Location:

Stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A51710
