Head Length:

2.250 inches

Gripping Surface Condition:

Smooth

Overall Length:

8.000 inches

Design Designation:

Blount

Material And Location:

Nylon

Head Shape:

Cylindrical

Err Default:

Err default

Product Name:

Mallet bone surgery blount 8" lg cylindrical shape nylon smooth

Special Features:

Nonsparking; does not mar bone cutting instrument

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T133-h
