Overall Length:

12.000 inches

Usage Design:

F/use on large masses of tissue

Design Designation:

Debakey

Jaw Type:

Serrated

Jaw Grasping Facility Location:

At tip

Product Name:

Forceps tissue debakey 12" lg serrated atraugrip straight crs

Special Features:

Atraugrip; groove construction; light spring tension

Material And Location:

Stainless steel

Shape:

Straight

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A51710
