| Overall Length: |
|---|
| 12.000 inches |
| Usage Design: |
| F/use on large masses of tissue |
| Design Designation: |
| Debakey |
| Jaw Type: |
| Serrated |
| Jaw Grasping Facility Location: |
| At tip |
| Product Name: |
| Forceps tissue debakey 12" Ig serrated atraugrip straight crs |
| Special Features: |
| Atraugrip; groove construction; light spring tension |
| Material And Location: |
| Stainless steel |
| Shape: |
| Straight |
| Shelf Life: |
| N/a |
| Unit Of Measure: |
| |
| Demilitarization: |
| No |
| Fiig: |
| A517I0 |
