Casehardening Indicator:
Casehardened
Head Style:
Fillister countersunk
Length:
32.0 millimeters
Material And Location:
Steel, corrosion resisting
Surface Treatment And Location:
Passivated
Outside Thread Diameter:
3.5 millimeters
Thread Quantity:
20 per inch
Point Type:
Standard
Recessed Drive Style:
Recessed Drive Style: Cross recess type 11
•
Cross recess type 11
Cross recess type 11 Product Name:
Cross recess type 11 Product Name: Screw bone woodruff head standard pt self-tapping 6s .138"dia 1-1/4"I
Cross recess type 11 Product Name: Screw bone woodruff head standard pt self-tapping 6s .138"dia 1-1/4"I Special Features:
Cross recess type 11 Product Name: Screw bone woodruff head standard pt self-tapping 6s .138"dia 1-1/4"I Special Features: Buttress thread; material per astm f138 or f139; self-tapping
Cross recess type 11 Product Name: Screw bone woodruff head standard pt self-tapping 6s .138"dia 1-1/4"I Special Features: Buttress thread; material per astm f138 or f139; self-tapping Shelf Life:
Cross recess type 11 Product Name: Screw bone woodruff head standard pt self-tapping 6s .138"dia 1-1/4"I Special Features: Buttress thread; material per astm f138 or f139; self-tapping Shelf Life: N/a
Cross recess type 11 Product Name: Screw bone woodruff head standard pt self-tapping 6s .138"dia 1-1/4"I Special Features: Buttress thread; material per astm f138 or f139; self-tapping Shelf Life: N/a
Cross recess type 11 Product Name: Screw bone woodruff head standard pt self-tapping 6s .138"dia 1-1/4"I Special Features: Buttress thread; material per astm f138 or f139; self-tapping Shelf Life: N/a Unit Of Measure:
Cross recess type 11 Product Name: Screw bone woodruff head standard pt self-tapping 6s .138"dia 1-1/4"I Special Features: Buttress thread; material per astm f138 or f139; self-tapping Shelf Life: N/a Unit Of Measure: Demilitarization:
Cross recess type 11 Product Name: Screw bone woodruff head standard pt self-tapping 6s .138"dia 1-1/4"I Special Features: Buttress thread; material per astm f138 or f139; self-tapping Shelf Life: N/a Unit Of Measure: Demilitarization: No
