Overall Length:

22.0 centimeters

Usage Design:

F/use in laryngeal micro surgery

Design Designation:

Jako-kleinasser

Tip Type:

Straight

Jaw Type:

Grasping

Product Name:

Forceps laryngeal jako-kleinsasser grasping 22cm lg straight crs

Special Features:

22mm diameter stems w/miniature distal jaws; dull finish

Material And Location:

Stainless steel

Shape:

Angular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A51710
