Blade Width:

45.0 millimeters

Design Designation:

Tuffier

Features Provided:

Self-retaining

Product Name:

Tuffier chest retractor

Special Features:

Cres; 47 mm deep blade by 45 mm wide, w/15 cm spread: blades scored; self-retaining

Material And Location:

Stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A523b0
