Overall Length:

5.225 inches

Handle Type:

Smooth

Blade Length:

1.500 inches

Blade Width:

0.500 inches

Usage Design:

Hand surgery

Product Name:

Metacarpal retractor

Blade Shape:

45 degrees angle downward

Special Features:

Handle 45 degree angle downward; handle smooth surface; 1/8 inch at distal tip

Material And Location:

Stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A523b0
