Overall Length:

5.000 inches

Quantity Within Each Unit Package:

1.000 units

Design Designation:

Jacobs

Material And Location:

Steel, corrosion resisting

Shank Type:

Straight

Point Type:

Twist drill

Product Name:

Drill twist bone jacobs 5" lg 0.062" diameter twist drill pt crs 6s

Diameter:

0.062 inches

Special Features:

For use with jacobs chuck in all types of drilling procedures

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T133-e
