Design Designation:

Edslab

Tip Type:

Beveled

Core Fabrication Method:

Not woven

Material And Location:

Plastic body

Product Name:

Catheter cholangiography eds lab 4 fr 40cm lg plas body ster disp

Special Features:

4 fr; 40 cm lg; postexploratory; 3-way stopcock w/two luer-lock ports; packaged in plastic container

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A22100
