End Application:

For use with field anesthesia apparatus, nsn 6515-01-457-1840, narkomed and nsn 6515-01-564-6213, tiro m.

Product Name:

Adapter right angle elbow tracheal anes set 22mm od 15mm id crs

Special Features:

Conductive; with pop-off valve, 22 mm od and 15 mm id at patient end; 15 mm od at machine end

Material:

Rubber synthetic

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T117-a
