Design Designation:

Suction

Tip Type:

Open end

Diameter:

6.3 millimeters

Horizontal Bar Length:

3.500 inches

Vertical Bar Length:

38.000 inches

Material And Location:

Rubber, silicone, astm d735-52

Features Provided:

Sterile and disposable

Special Features:

Wound evacuator; closed suction; single; radiopaque; 19 fr; 8 cm w; for suction reservoir, order 6515-01-216-3369; individually sealed; unit q type 10

Style Designator:

Tee

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A22100
