Design Designation:

Suction

Tip Type:

Flat

Core Fabrication Method:

Not woven

Material And Location:

Silicone elastomer tube

Product Name:

Tube drainage e25 suction 100cm ster disp

Special Features:

Flat tube length 20cm.; width 7mm.; height 4mm.; total tubing length 100cm.; individual in double-wrap package, for use with suction reservoir

Style Designator:

Wound evacuation tube

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A22100
