Overall Length:

1.125 inches

End Application:

Volumetric spirometer model vs 400 and processing spirometer model ps600

Design Designation:

Bennett

Material And Location:

Plastic

Size:

Large

Product Name:

Mouthpiece disposable plas tubular 2.50" diameter 1.125" lg lge 100s

Special Features:

Tubular; diam 2 1/2 in.; volumetric spirometer model vs 400 and processing spirometer model ps600

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T133-d
